Hello Naomi.

Hope all is good with you and that you are enjoying this brighter weather.

I was wondering if an item could be put on the agenda for May re the speeding issues in the village please. I'm sure there will be a follow up discussions from the previous meeting and plenty of comments but just wanted to add mine.

My concern is about village issues being dominated by Facebook. One villager has taken it on himself to put up home made signs about speed limits which is surely manipulating the data recorded by the wires across the road. Parking vehicles and green bins in awkward places have also become an issue. Please could a PC response to these issues be made?

With many thanks and best wishes.

Mary Strickland. (Keith's wife)
